Martha's Vineyard Striped Bass & Bluefish Derby

All fish are measured in total length from the tip of the lower jaw to the tip of the tail.

Suspended for 2023 Derby

Minimum Sizes:

22 inches

Massachusetts Regulation:

bag limit of 3 fish per day, per angler.

21 inches

25 inches

Derby Limit:

3 per Badge*

^{*} The Derby limit of 3 fish per badge is the maximum number of **false albacore** that you can bring to the weigh station during the entire Derby. It includes all false albacore brought to the weigh station, whether or not they meet the 25 inch minimum size. Therefore, when you bring a false albacore to the weigh station, it will count toward your individual limit regardless of its size. Once you have reached your Derby limit of 3 false albacore per badge, you are no longer permitted to bring a false albacore to the weigh station.
